

REPORT EXEC

FOR EDUCATION

One Comprehensive Solution to Enhance Safety and Streamlining Operations

You have a challenging job that only continues to grow more demanding. According to the National Center for Education Statistics, "During the 2017–18 school year, 80 percent of public schools recorded that one or more incidents of violence, theft, or other crimes had taken place, amounting to 1.4 million incidents." When it comes to protecting staff, students, and the campus, you need to be able to trust that the solutions you have in place for reporting and analyzing data can stand up to your critical workload.

There's a reason Omnigo Report Exec has been the trusted leader of reporting software for over two decades. Through a combination of industry expertise and customer feedback, we've created a superior end-to-end solution that is easily configurable to meet the specific needs of your facility, staff, and visitors.

Make More Informed Decisions

Report Exec organizes data from your campus in an easy-to-search database. Pre-formulated statistical reports, customizable reports, and a live data dashboard provide the statistical analyses needed to make informed decisions.

Streamline Operations

Built-in communication features keep everyone on the same page. Customizable user roles and permissions ensure that everyone can access exactly what they need to effectively perform their duties.

Save Time on Data Entry

Report Exec eliminates time spent re-entering information by automatically populating known information. Quick-key codes and drop-down menus reduce the possibility for human error.

Efficient Clery Reporting

Report Exec makes it easy to remain compliant with Clery Act requirements with our easy-to-use, web-based software solution.

Automate Your Reporting

Save your statistical reporting filters and set your ideal delivery schedule, and your reports automatically show up in your inbox. Automatic notifications ensure that the right people are always kept in the loop.

Ensure Efficient, Accurate Data Collection

The tree dictionary-based system ensures that statistical reporting is more accurate and efficient with data collection that's in your language and kept consistent throughout the organization.

SIMPLE, RELIABLE CLERY REPORTING

Report Exec makes it easy to remain compliant with Clery Act requirements with our easy-to-use, web-based software.

Always Ensure Your Reports Are Clery Compliant

We make changes to our incident report forms whenever Clery Act requirements are updated, so your reports will always be Clery compliant.

Create and Customize Public Crime Logs

Create and publish public crime logs in just a few clicks. Public crime logs are customizable to fit your needs and include a wide range of fields. Additionally, sensitive information can be easily hidden.

Quickly Generate Reports and Graphs

Easily display data for your Annual Security Reports, Public Crime Logs, and Annual Fire Safety Reports. Compiling the data takes seconds, saving you valuable time.

ONE INTEGRATED SOLUTION ELIMINATES THE NEED FOR MULTIPLE PRODUCTS

You shouldn't have to buy multiple products to meet the demands of your department. With Report Exec, you can be sure that every file, report, and message is stored in one secure, searchable database.

Modules include:

Easily Compile and Generate the Reports You Need Most	Ensure Nothing is Forgotten During Fast-Moving Situations	Easily Pinpoint Weaknesses and Eliminate Redundancies	Don't Waste a Second During Time-Sensitive Events	Track Incident Details and Trends
Admin reporting allows users compile the reports they need most.	Logical workflow to ease documentation of details in emergency situations.	Conduct audits on reports, users, dispatchers, messages, errors, and data usage.	Notify targeted groups through high-speed calls, emails, texts, TTD notifications, and social-media alerts.	Track the details associated with a specific incident, and easily identify commonalities between incidents.
